To the extent that Zadara cannot comply with a change to Customer's instructions without incurring material additional costs, Zadara shall: (i) inform Customer, giving full details of the problem; and (ii) storing those data until revised instructions are received. Any changes in Customer's instructions that affect the pricing structure or commercial relationship between the parties must go through an appropriate change control procedure. The Parties confirm that this DPA is Customer's complete and final instructions to Zadara in relation to processing of the Customer Data.

- 2.4 **Details of the Processing.** The subject-matter of Processing of Personal Data by Zadara is the performance of the Services pursuant to the Agreement. The duration of the Processing, the nature and purpose of the Processing, the types of Personal Data and categories of Data Subjects Processed under this DPA are further specified in Schedule 1 (Details of the Processing) to this DPA.

However, it is agreed that Zadara processes only the Personal Data that Customer has chosen to share with Zadara. Zadara has no direct or contractual relationship with Data Subjects. As a result, Customer is solely responsible for satisfying all legal obligations owed directly to the Data Subject under applicable data protection laws.
- 3.2 It is the Customer's responsibility to ensure that Personal Data it collects can be legally collected in the country of origin. The Customer is also responsible for providing to the Data Subject any notices required by applicable law and for responding appropriately to the Data Subject's request to exercise his or her rights with respect to Personal Data. In addition, the Customer is responsible for ensuring that its use of the Services is consistent with any privacy policy the customer has established and any notices it has provided to Data Subjects.

4. ZADARA PERSONNEL

- 4.1 **Confidentiality.** Zadara shall ensure that its personnel engaged in the Processing of Personal Data are informed of the confidential nature of the Personal Data, have received appropriate training on their responsibilities and have executed written confidentiality agreements. Zadara shall ensure that such confidentiality obligations survive the termination of the personnel engagement.

- 4.3 **Limitation of Access.** Zadara shall ensure that Zadara's access to Personal Data is limited to those personnel performing Services in accordance with the Agreement.

5. SUB-PROCESSORS

- 5.1 **Appointment of Sub-processors.** Customer acknowledges and agrees that Zadara may engage third-party Sub-processors in connection with the provision of the Services. Where a Sub-processor will process Personal Data which is subject to EU Data Protection Laws and Regulations, Zadara will ensure that the Sub-processor is subject to contractual obligations regarding Personal Data not less protective than those in this Agreement with respect to the protection of Customer Data to the extent applicable to the nature of the Services provided by such Sub-processor.
- 5.2 **List of Current Sub-processors and Notification of New Sub-processors.** Customer may find on Zadara's webpage a mechanism to subscribe to notifications of new Sub-processors, to which Customer shall subscribe, and if Customer subscribes, Zadara shall provide notification of a new

Sub-processor(s) before authorizing any new Sub-processor(s) to Process Personal Data in connection with the provision of the Services.

- 5.3 **Objection Right for New Sub-processors.** Customer may object to Zadara’s use of a new Sub-processor by notifying Zadara promptly in writing within ten (10) business days after receipt of Zadara’s notice in accordance with the mechanism set out in Section 5.2. In the event Customer objects to a new Sub-processor, as permitted in the preceding sentence, Zadara will use reasonable efforts to make available to Customer a change in the Services or recommend a commercially reasonable change to Customer’s configuration or use of the Services to avoid Processing of Personal Data by the objected-to new Sub-processor without unreasonably burdening the Customer. If Zadara is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, Customer’s sole remedy is to terminate the applicable Order Form(s) with respect only to those Services which cannot be provided by Zadara without the use of the objected-to new Sub-processor by providing written notice to Zadara.
- 5.4 **Liability.** Zadara shall be liable for the acts and omissions of its Sub-processors to the same extent Zadara would be liable if performing the services of each Sub-processor directly under the terms of this DPA, except as otherwise set forth in the Agreement.

Zadara regularly monitors compliance with these measures. Zadara will not materially decrease the overall security of the Services during a subscription term. Customer is solely responsible for reviewing the information made available by Zadara relating to data security and making an independent determination as to whether the Services meet Customer’s requirements, and for ensuring that Customer’s personnel and consultants follow the guidelines they are provide regarding data security.
- 6.2 **Third-Party Certifications and Audits.** Zadara has completed Service Organization Control 2 (SOC 2) Type II and ISO 27001 audits for the Services, which were conducted by an independent auditor that evaluated the design and effectiveness of Zadara security policies, procedures, and controls. Zadara will continue to undergo regular Service Organization Control audits for the Service during the Term. Upon Customer’s written request at reasonable intervals but no more than once per year, and subject to the confidentiality obligations set forth in the Agreement, Zadara shall make available to Customer that is not a competitor of Zadara (or Customer’s independent, third-party auditor that is not a competitor of Zadara) a copy of Zadara’s then most recent third-party audits or certifications, as applicable.

7. CUSTOMER DATA INCIDENT MANAGEMENT AND NOTIFICATION

Zadara maintains security incident management policies and procedures specified in Security Documentation and, to the extent required under applicable Data Protection Laws and Regulations, shall notify Customer without undue delay after becoming aware of the actual unauthorized disclosure of or access to Customer Data, or compromise of Zadara’s systems that Zadara determines is reasonably likely to result in such disclosure or access, caused by failure of Zadara’s security measures and excluding any unauthorized disclosure or access that is caused by Customer or its users, including Customer or its End Users’ failure to adequately secure equipment or accounts (a “**Customer Data Incident**”). Zadara shall make reasonable efforts to identify the cause of such Customer Data Incident and take those steps as Zadara deems necessary and reasonable in order to remediate the cause of such a Customer Data Incident to the extent the remediation is within Zadara’s reasonable control. Zadara may limit the scope of, or refrain from

delivering, any disclosures to the extent reasonably necessary to avoid compromising the integrity of Zadara's security, an ongoing investigation, or any Customer's or end user's data.

8. RETURN AND DELETION OF CUSTOMER DATA

Subject to the Agreement, Zadara shall, to the extent allowed by applicable law, delete Customer Data in accordance with the procedures and timeframes specified in applicable Data Protection Laws and Regulations.

9. AUTHORIZED AFFILIATES

9.1 Contractual Relationship. The parties acknowledge and agree that, by executing the Agreement, the Customer enters into the DPA on behalf of itself and, as applicable, in the name and on behalf of its Authorized Affiliates, thereby establishing a separate DPA between Zadara and each such Authorized Affiliate subject to the provisions of the Agreement and this Section 9 and Section 10. Each Authorized Affiliate agrees to be bound by the obligations under this DPA and, to the extent applicable, the Agreement. For the avoidance of doubt, an Authorized Affiliate is not and does not become a party to the Agreement, and is only a party to the DPA. All access to and use of the Services and Content by Authorized Affiliates must comply with the terms and conditions of the Agreement and any violation of the terms and conditions of the Agreement by an Authorized Affiliate shall be deemed a violation by Customer.

9.2 Communication. The Customer that is the contracting party to the Agreement shall remain responsible for coordinating all communication with Zadara under this DPA and be entitled to make and receive any communication in relation to this DPA on behalf of its Authorized Affiliates.

9.3 Rights of Authorized Affiliates. Where an Authorized Affiliate becomes a party to this DPA with Zadara, it shall, to the extent required under applicable Data Protection Laws and Regulations, be entitled to exercise the rights and seek remedies under this DPA, subject to the following:

9.3.1 Except where applicable Data Protection Laws and Regulations require the Authorized Affiliate to exercise a right or seek any remedy under this DPA against Zadara directly by itself, the parties agree that: (i) solely the Customer that is the contracting party to the Agreement shall exercise any such right or seek any such remedy on behalf of the Authorized Affiliate, and (ii) the Customer that is the contracting party to the Agreement shall exercise any such rights under this DPA not separately for each Authorized Affiliate individually but in a combined manner for all of its Authorized Affiliates together (as set forth, for example, in Section 9.3.2, below).

9.3.2 The parties agree that the Customer that is the contracting party to the Agreement shall, when carrying out an on-site audit of the procedures relevant to the protection of Personal Data, take all reasonable measures to limit any impact on Zadara and its Sub-Processors by combining, to the extent reasonable possible, several audit requests carried out on behalf of different Authorized Affiliates in one single audit.

10. LIMITATION OF LIABILITY

Each party's and all of its Affiliates' liability, taken together in the aggregate, arising out of or related to this DPA, and all DPAs between Authorized Affiliates and Zadara, whether in contract, tort or under any other theory of liability, is subject to the 'Limitation of Liability' section of the Agreement, and any reference in such section to the liability of a party means the aggregate liability of that party and all of its Affiliates under the Agreement and all DPAs together.

For the avoidance of doubt, Zadara's and its Affiliates' total liability for all claims from the Customer and all of its Authorized Affiliates arising out of or related to the Agreement and each DPA shall apply in the aggregate for all claims under both the Agreement and all DPAs established under this Agreement, including by Customer and all Authorized Affiliates, and, in particular, shall not be

understood to apply individually and severally to Customer and/or to any Authorized Affiliate that is a contractual party to any such DPA.

Also for the avoidance of doubt, each reference to the DPA in this DPA means this DPA including its Schedules and Appendices (if any).

11. DATA TRANSFER

11.1 Customer may specify the Zadara region where Customer Data will be Processed within the Zadara datacenters. Once Customer had made up its choice, Zadara will not transfer Customer Data from Customer's selected region, except as necessary to comply with the law or a valid and binding order of a law enforcement agency.

11.2 If, in the performance of this DPA, Zadara transfers any Personal Data to a sub-processor located outside of the European Economic Area (except if an Adequate Country and without prejudice to Section 5), Zadara shall in advance of any such transfer ensure that a legal mechanism to achieve adequacy in respect of that Processing is in place, such as:

- (a) the requirement for Zadara to execute or procure that the sub-processor execute to the benefit of the Customer the Standard Contractual Sections as set out in Schedule 2;
- (b) the existence of any other specifically approved safeguard for data transfers (as recognized under EU Data Protection Laws) and/or a European Commission finding of adequacy.

11.3 The following terms shall apply to the standard contractual Sections set out in Schedule 2:

- (a) The Customer may exercise its right of audit under Section 5(a)vi of the Standard Contractual Sections as set out in, and subject to the requirements of Section 6.2 of this DPA; and
- (b) Zadara may appoint sub-processors as set out, and subject to the requirements of, Section 5 of this DPA.

12. LEGAL EFFECT

This DPA shall only become legally binding between Customer and Zadara when the formalities steps set out in the Section "HOW TO EXECUTE THIS DPA" above have been fully completed.

 - v. that it will ensure compliance with the security measures;
 - vi. that, if the transfer involves special categories of data, the data subject has been informed or will be informed before, or as soon as possible after, the transfer that its data could be transmitted to a third country not providing adequate protection within the meaning of EU Data Protection Laws 95/46/EC;

- (b) If a data subject is not able to bring a claim for compensation in accordance with paragraph 1 against the data exporter, arising out of a breach by the data importer or his sub-processor of any of their obligations referred to in Section 3 or in Section 11, because the data exporter has factually disappeared or ceased to exist in law or has become insolvent, the data importer agrees that the data subject may issue a claim against the data importer as if it were the data exporter, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, in which case the data subject can enforce its rights against such entity.

The data importer may not rely on a breach by a sub-processor of its obligations in order to avoid its own liabilities.

- (c) If a data subject is not able to bring a claim against the data exporter or the data importer referred to in paragraphs (a) and (b), arising out of a breach by the sub-processor of any of their obligations referred to in Section 3 or in Section 11 because both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, the sub-processor agrees that the data subject may issue a claim against the data sub-processor with regard to its own Processing operations under the Sections as if it were the data exporter or the data importer, unless any successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law, in which case the data subject can enforce its rights against such entity. The liability of the sub-processor shall be limited to its own Processing operations under the Sections.

7. Mediation and jurisdiction

- (a) The data importer agrees that if the data subject invokes against it third-party beneficiary rights and/or claims compensation for damages under the Sections, the data importer will accept the decision of the data subject:
 - i. to refer the dispute to mediation, by an independent person or, where applicable, by the supervisory authority;
 - ii. to refer the dispute to the courts in the Member State in which the data exporter is established.
- (b) The parties agree that the choice made by the data subject will not prejudice its substantive or procedural rights to seek remedies in accordance with other provisions of national or international law.

8. Co-operation with supervisory authorities

- (a) The data exporter agrees to deposit a copy of this contract with the supervisory authority if it so requests or if such deposit is required under the applicable data protection law.
- (b) The parties agree that the supervisory authority has the right to conduct an audit of the data importer, and of any sub-processor, which has the same scope and is subject to the same conditions as would apply to an audit of the data exporter under the applicable data protection law.
- (c) The data importer shall promptly inform the data exporter about the existence of legislation applicable to it or any sub-processor preventing the conduct of an audit of the data importer, or any sub-processor, pursuant to paragraph 2. In such a case the data exporter shall be entitled to take the measures foreseen in Section 5(a)ii.

- 9. Governing law.** The Sections shall be governed by the laws of the Member State in which the data exporter is established.

10. Variation of the contract. The parties undertake not to vary or modify the Sections. This does not preclude the parties from adding Sections on business related issues where required as long as they do not contradict the Section.

11. Sub-Processing

- (a) The data importer shall not subcontract any of its Processing operations performed on behalf of the data exporter under the Sections without the prior written consent of the data exporter. Where the data importer subcontracts its obligations under the Sections, with the consent of the data exporter, it shall do so only by way of a written agreement with the sub-processor which imposes the same obligations on the sub-processor as are imposed on the data importer under the Sections. Where the sub-processor fails to fulfill its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the sub-processor’s obligations under such agreement.
- (b) The prior written contract between the data importer and the sub-processor shall also provide for a third party beneficiary Section as laid down in Section 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph (a) of Section 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the sub-processor shall be limited to its own Processing operations under the Sections.
- (c) The provisions relating to data protection aspects for sub-Processing of the contract referred to in paragraph 1 shall be governed by the law of the Member State in which the data exporter is established.
- (d) The data exporter shall keep a list of sub-Processing agreements concluded under the Sections and notified by the data importer pursuant to Section 5(a)x, which shall be updated at least once a year. The list shall be available to the data exporter's data protection supervisory authority.

12. Obligation after the termination of personal data-Processing services

- (a) The parties agree that on the termination of the provision of data-Processing services, the data importer and the sub-processor shall, at the choice of the data exporter, return all the personal data transferred and the copies thereof to the data exporter or shall destroy all the personal data and certify to the data exporter that it has done so, unless legislation imposed upon the data importer prevents it from returning or destroying all or part of the personal data transferred. In that case, the data importer warrants that it will guarantee the confidentiality of the personal data transferred and will not actively process the personal data transferred anymore.
- (b) The data importer and the sub-processor warrant that upon request of the data exporter and/or of the supervisory authority, it will submit its data-Processing facilities for an audit of the measures referred to in paragraph (a).
